Dr. Richard Besser
Chief Health and Medical Editor
ABC News

Featured on “Good Morning America,” “World News Tonight with David Muir” and other major programming, ABC News’ Richard Besser provides medical analysis and reports for the public. A world traveler, Dr. Besser recently reported on the Ebola outbreak in West Africa from Liberia. With more than 20 years of medical and Public Health experience, Besser led the response to the 2009 influenza pandemic while serving as Acting Director of the Centers for Disease Control and Prevention. He is the recipient of multiple awards in public health and journalism. Dr. Besser will be speaking on A View from Both Sides of the Camera: Using Television to Promote Public Health.

Dr. Besser will be speaking about A View from Both Sides of the Camera: Using Television to Promote Public Health.
